FOUR BENEFITS OF KNOWING THE TRUTH Ephesians 4:17-24

I. Introduction:

- A. (Ephesians 4:17-24 NKJV)
- II. Knowledge of Truth makes one free from the bonds of ignorance.
 - A. The Gentiles "old man" was characterized by ignorance.
 - 1. Ephesians 4;17-24 ... "Having their understanding darkened ..."; "because of the ignorance that is in them..."
 - 2. Thus, "being alienated fro the life of God...", etc.
 - 3. But, they learned Christ, heard Him, were taught by him, ... thus became enlightened and put on the new man (Ephesians 4:20-23).
 - B. Ignorance is not bliss! What one does not know, <u>CAN</u> hurt YOU!
 - 1. It promotes man-made religion.
 - a) Cf. (Romans 10:1-3 NKJV)
 - 2. It promotes idol worship.
 - a) (Acts 17:23 NKJV)
 - **b)** Cf. (Romans 1:21-23 NKJV)
 - 3. Ignorance:
 - a) Hinders "faith" i.e. Romans 10:17
 - b) Promotes division.
 - c) Makes men susceptible to false doctrine.

- d) Hinders obedience one can't do by faith what they don't know to do!
- 4. The "darkness" of ignorance is only dispelled by the <u>light</u> of the truth.
 - a) (John 8:32 NKJV)
 - b) (2 Corinthians 4:6 NKJV)

III. Knowledge of Truth makes one free from the bonds of prejudice.

- A. Note: Shoe the relationship between ignorance and prejudice.
 - 1. <u>IGNORANCE</u>: (1) "Want of knowledge or perception. Sometimes includes idea of willful blindness." ¹ (2) "destitute of knowledge or education: unaware, uninformed." ²

2. Examples:

- a) "The earth is flat"
- b) "Malaria is caused by swamp air"
- c) "Smoke makes clouds, clouds cause rain"
- d) "Trees shake, which makes the wind blow, which brings in storms"
- e) Thousands of examples of what acts and rituals are followed through ignorance. ³
- B. Prejudice is one of the worst enemies of the cause of righteousness.

³ Some examples are given in "To Shoot Hard Labor" by Samuel Smith, pages 68-70. Also, **The Golden Bough A Study in Magic and Religion**, **James George Frazer**

- 1. Examples:"Can anything good come out of Nazareth?" ... Nathaniel (John 1:46 NKJV)
 - a) By the way ... prejudice was corrected by proper investigation... Philip said to him, "Come and see."
- 2. Prejudice caused the rejection of Christ by the Jews.
- 3. It causes the rejection of gospel truths.
- 4. It causes the rejection of the Lord's church (My mind is made up, don't confuse or disquiet me with facts!"
 - a) "Water dogs" you believe the power of salvation is in the water!
 - b) "You don't believe in the grace of God"
 - c) "You don't believe one is saved by faith"
 - d) You do believe that you are saved by works (alone)"
 - e) "You believe you are ALL right and everyone else is ALL wrong."
- 5. It causes rejection in areas of authority for instance the church support of many institutions is based upon prejudice
 - a) They (you) ... meaning conservatives (anti's) ... are
 - (1) Opposed to orphans...
 - (2) *Widows...*
 - (3) *Old folks* ...
 - (4) Recreation...etc.
 - (a) NO! We are opposed to the church ding anything without the proper authority!
- 6. TRUTH MAKES "LIKE-MINDEDNESS"

- C. Examining everything in the light of truth <u>can</u> remove prejudice.
 - 1. Providing we WANT it removed!
 - a) "I know it says that... I don't accept it!"
 - 2. Both ignorance and prejudice can be removed with the spirit of the Bereans.
 - a) Cf. (Acts 17:11 NKJV)
- IV. Knowledge of Truth makes one free from the doctrines of men.
 - A. Note: Show the relationship between ignorance, prejudice, and doctrines and commandments of men.
 - 1. Modern examples:
 - a) Snake Handlers & faith healing (Mark 16:18 NKJV)
 - (1) Context shows to whom and with what limitations promise was given. Example: Paul the apostle—Acts 28.
 - b) Christians CANNOT sin vs. Not PERMITTED to sin. Cf.
 - (1) (1 John 3:9 NKJV)
 - (a) (1 John 1:8 NKJV)
 - (b) (1 John 1:10 NKJV)
 - (c) (1 John 2:1 NKJV)
 - B. Note: Show the great influence of man-made doctrine in the religious world ...
 - 1. Calvinism ("one cannot fall from grace and be lost")
 - a) (2 Peter 2:20-22 NKJV)

- b) (Hebrews 4:1 NKJV)
 - (1) Why warn against the impossible?
- 2. Premillennialism (the return of the Lord to live and reign upon the earth for 1,000 years depending on what 'brand' of Premillennialism.)
 - a) (1 Thessalonians 4:13-18 NKJV)
 - b) (John 5:28 NKJV)
- 3. The source determines the validity of the teaching (from God or man?) Cf. Matthew 21:23-25.
 - a) (Matthew 21:23-25 NKJV)
- 4. More people are influenced in religion by what does NOT come from God, than that which DOES come from Him.
 - a) i.e. Majority vs. Minority; "grace only" or "faith only"
- 5. The effects of man made doctrine?
 - a) Makes worship "vain" (futile, ineffectual).
 - (1) Cf. (Matthew 15:9 NKJV)
 - b) It denominates because differing groups attempt to prove differing doctrines dishonors God and His oneness.
- C. So, "Preach the word"!
 - 1. (2 Timothy 2:2 NKJV)
 - 2. (2 Timothy 4:2 NKJV)
 - 3. That which comes from Divine source must be received; honored and applied above that which has it's origin with uninspired men. ("Why then do you not believe him?" Matthew 21:25)

- 4. We need to continually test or "prove all things."
 - a) (1 Thessalonians 5:21 NKJV)
 - b) (2 Corinthians 13:5 NKJV)
- V. Knowledge of Truth makes men free from sin.
 - A. Is the immediate point of our text (Ephesians 4:21-24).
 - B. Sin is the worst and most destructive enemy of mankind.
 - 1. Consider its nature and its consequences!
 - a) Sin is transgression against God and His law according to 1 John 3:4.
 - b) ALL have committed sin Roman 3:23.
 - c) Sin separates us from God (we are spiritually dead once we sin) Isaiah 59:1-2
 - C. Only God's truth reveals God's way of Salvation.
 - 1. (Romans 1:16 NKJV)
 - 2. Therefore men need to hear, know, and obey it!
 - a) Cf. (John 6:45 NKJV)
 - 3. Every case of conversion in the New Testament was a response to learning TRUTH (Acts 2; 8; 9; 16, etc.)

VI. Conclusion:

- A. We must <u>want</u> and <u>love</u> the truth ... above all else and at any expense!
- B. We must apply truth to everything, live it, teach it, defend it!
- C. Have you listened to and obeyed the truth?
